JELARM PLC (ABAY PAINTS)

We at Bingham Academy are so profoundly thankful for your generous donation of quality paint to our "Learning Comes Alive" week. As the Visual Art Teacher at Bingham, I had the absolute pleasure of seeing firsthand how our elementary students benefited from your donation. Together we created 4 murals to beautify our campus and create a hands on learning experience that continues to bless our community.

Thank you for your support of our school, our children, their education, and the arts. A reminder of our gratitude and your generosity are visible on the walls of Bingham Academy.

Sincerely,

Rob Ward

Visual Art Teacher
