

## DESCRIPTION

---

- Water-based paint for interiors which features special luminescent sandy reflections. This new finely textured "sand caresses" decorative finish based on natural fine quartz sands, will highlight any interior wall with a fantastic, harmonic effect.

## APPLICATION

---

- Decoart Gold is a Premium quality, waterborn, decorative finish that reflects sophisticated elegance with super gold reflects.
- The wall gains protection and maintains good breathing characteristics with a depth of colour and look of ageless charm.
- The product has a low odour level, is non flammable and is friendly both to humans and the environment.
- DECO ART GOLD can be applied to several surfaces as cement, all kinds of plaster surfaces, as well as wood panels, as long as they are treated with appropriate primers.

## APPLICATION TOOLS

---

- Ensure that the surface is clean, dry and free from peeling paint or any substance that may compromise adhesion.
- Prime the surface using the specific decorative primer Sandeco Decoprimer.
- Use the appropriate brush, dip only tip of the brush into the product and apply unevenly to the surface using short, crossed strokes, flipping and overlapping each time in a random pattern and ensuring an even distribution of the sand on the surface.
- Make sure both the ambient temperature and the substrate temperature are between +5°C and +35°C

**Drying Time :** Dry-to-touch, 4-5 hours / In depth, 24 Hours (recorded at 23°C)

**Packaging sizes:** 1Lt, 2,5Lt,

**Coverage :** Depending on porosity of surface and environmental conditions, 0.120-0.160 lt/m<sup>2</sup> - One coat

**Flash Point:** Non-flammable.

**Storage:** 1 year, unopened in cool frost-free conditions

**Warning:** Keep out of the reach of children. Avoid contact with skin and eyes.
